

# WELCOME & INTRO

- Good evening – I'm Jessica West DRE & Youth Minister. I'm very excited to have the opportunity to attend NCYC this year and hope you are too. For those who have not attended, NCYC (the National Catholic Youth Conference) is a 3 day experience of prayer, community, empowerment, faith, and fun. The schedule has a lot of options from topics to special activities, concerts, exhibits, vendors, etc. I promote it as a 4 day event as Sunday is our travel home day. Thursday afternoon/evening, Friday, & Saturday are the actual conference
- I'd like to share this year's promo video with you

# What is NCYC

- The National Catholic Youth Conference is a 3 day conference for filled with Prayer, Community, Leadership, Empowerment, the Eucharist, Fun, Food, etc. that is offered every other year. This fall it will be offered in Indy from Nov 21-23.
- I tell everyone to think of it as a 4 day conference as we will not travel home until Sunday so Nov 21-24
- The schedule is jam packed but you have the flexibility to pick your sessions during Friday & Saturday – you go to the session that answers your questions or speaks to where you are in your faith journey.
- We bus out on Thursday to head to Indy and spend the evening with a Mass, a concert, meeting our Emcee's, and a Keynote speaker will present. Friday will begin with music/dancing and a Keynote speaker before we head to smaller group sessions until we come back together for dinner, a concert, a keynote speaker and adoration. Saturday will also begin with music/dancing and a Keynote speaker before we again head to different smaller group sessions until we come back together for dinner and then closing mass with 20,000 Youth and tons of priests!! Then bus home Sunday morning.

# What is NCYC

- Opportunities for Mass, Reconciliation, Eucharistic Adoration, and Chapel time throughout the conference.
- I highly encourage youth to seek the sacrament of Reconciliation at NCYC as you will get to receive from a priest you haven't ever met and probably will not see again. It's a very awesome experience!
- Featured Speakers : EMCEES – Katie Prejean McGrady & Fr. Agostino Torres
  - Mark Hart, Sr Bethany Madonna, Immaculee Illbagiza and many more
- Featured Artist: Thursday - For King & Country and Friday is yet to be announced
