

Second Hour 2020-21 Spring Calendar

Dear Second Hour participants & all our parishioners: Just as we have all had to adapt to many changes and adopt a new normal, we too approached & presented Second Hour in the fall differently than we have before with the hopes to be able to gather back together in the spring. Unfortunately, the pandemic continues and we must continue to put the health and safety of our participants first. So, with that and many other factors in mind, we will continue to run Second Hour classes the way we are currently meeting through the spring semester. Please see the general schedule below – grade specific calendars will be sent via email and posted on their Google Classrooms. Please contact Jessica West with any questions or concerns. Thank you for your continued dedication and support.
